**PRESS RELEASE**

**Screen's first sale to Mozambique!**

Screen Subtitling Systems is pleased to announce its first sale to Mozambique, providing Televisão Independente de Mozambique with a Poliscrypt preparation system and SD character generator.

As a limited company, Televisão Independente de Mozambique is dedicated to broadcasting informative and educational content to the public of Mozambique.

Screen has developed and sold subtitling preparation software for over 30 years and continues to offer high quality products, integration support and workflow consultancy.

João Ribeiro, Director General of Televisão Independente de Mozambique, commented: "We are very pleased with the excellent service and quick delivery of this equipment and we have now begun to use the system successfully."
